FYI,

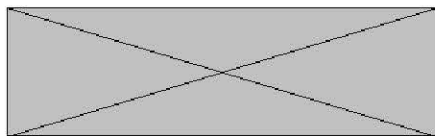

I met with [REDACTED] and another resident in person to discuss this concern. I've updated him on the actions that have been taken at this location, the pending stay away orders and how to continue working with our office to address encampments in violation of LAMC 56.11.

“The homeless have taken over the underpass atPlummer Street and the 405 freeway. The whole underpass looks like a trash truck exploded with trash everywhere. I live a block away and have had my mail box crowbarred Open, my hose turned on and dragged to the street, my front yard solar lights stolen and my trash cans gone through every week dumping my trash all around the cans. Could Monica find a way to fix this problem herself. Passing this email down to her area employee has not helped. Please could we get some help in this matter.
